Dear Hennessy Advisors Shareholder:

This has been a year marked by extreme movements in the financial markets, one that I think many investors will be glad to have behind them. At the beginning of the fiscal year (October, 2008) the economy and financial markets were in chaos, and it felt as though they were on the brink of collapse following the AIG bailout, Lehman Brothers failure and the mega mergers between some of the country's largest banks and investment houses. Many investors saw their portfolios and 401(k)'s cut nearly in half, and at the same time watched the values of their homes tumble; there truly was nowhere for investors to hide from the financial fallout. In my 30 years in the business, I have never witnessed the crisis of confidence we experienced in late February/early March of this year. Even the most seasoned, disciplined and long-term investors I know had simply had enough and were pulling money out of the stock market. In just the short period from October 1st to March 9th, the major indices, such as the S&P 500 and Dow Jones Industrial Average, lost approximately 40% of their value.

Since their lows in March, the major indices have rallied back roughly 50-60%. There is certainly some ground to make up for the markets to return to their pre-recession levels, but I believe we are now in the midst of a recovery and that we will see steady, sustainable growth in the coming years. I actually believe the recovery began in November of 2008, with the first injection of government TARP (Troubled Asset Relief Program) spending. Like anything that is broken, a fix takes time to work. However, I believe that investors had seen such staggering losses that they were not willing to take a "wait and see" approach with this government stimulus. While the markets will no doubt have their ups and downs, I am confident that the lows of March are behind us.

During the past decade, the tech bubble and the housing bubble created large financial gains. Many consumers were allowed, maybe even encouraged, to borrow more heavily than they should have and live beyond their means. In the past year, investors across the globe have learned a lesson about leverage and its downside, and I believe the markets have now made a move back to "normal," where growth is based on fundamentals, and will be driven by increases in personal income and consumer spending, resulting in increases in corporate earnings. Using history as our guide, I believe the markets should return to a more normalized annual return. Since 1980, with several major corrections along the way and including the most recent downturn, the Dow Jones Industrial Average has produced a 12% average annual return. While this may not be the 35% return investors were getting in the late 1990's, I believe this growth rate is sustainable for the foreseeable future.

As a company, we have navigated through an extremely tumultuous market, and although we are reporting a small loss per share for the first time in our history, I am proud to report that Hennessy Advisors remains strong, stable and resolute in our business strategy. For the fiscal year ended September 30, 2009, Hennessy Advisors, Inc. reported a diluted loss per share of \$(0.03). Earnings decreased approximately 111% versus the prior fiscal year, which were \$0.28 per share. The decline in earnings is primarily attributable to decreased mutual fund assets under management throughout the year. Assets under management actually increased during the year, from \$876 million at September 30, 2008 to \$923 million at September 30, 2009. However, amidst the recent upheaval and crisis in the financial markets, assets dipped to a low of \$475 million in March, 2009 and have since rebounded significantly.

In the first half of our fiscal year, as the major indices plummeted approximately 30-35%, Hennessy Advisors experienced a loss of \$248 million in assets under management due solely to market depreciation. Then, in the second half of the fiscal year, the indices rallied back, gaining roughly 30-35%, and we saw our assets increase by \$214 million due to market appreciation. While we had new purchases into the Hennessy Funds totaling \$80 million for the year, we experienced net outflows as nervous investors moved their investments into cash as the markets tumbled. Many investors, in my opinion, remain paralyzed with fear and may be missing the current recovery by leaving their money on the sidelines.

In keeping with our business strategy, we were able to identify and purchase \$232 million in new assets during this fiscal year. We closed the \$158 million acquisition of the Tamarack Funds in March and the \$74 million acquisition of the SPARX Funds in September. With the acquisition of the Tamarack Funds, we launched our seventh quantitatively managed fund, the Hennessy Cornerstone Large Growth Fund, and launched the "Hennessy Select Series," a series of actively managed mutual funds that employ seasoned and highly qualified sub-advisors. Our eighth fund offering, the Hennessy Select Large Value Fund, was our first fund using a sub-advisor (Voyageur Asset Management Inc.). The acquisition of the SPARX Funds continued to expand our product offering with our first international funds, the Hennessy Select SPARX Japan Fund and the Hennessy Select SPARX Japan Smaller Companies Fund, and I am very excited to expand and explore the strategic partnership with the Tokyo-based SPARX team. We started the year with six funds and Hennessy Advisors, Inc. today acts as the investment manager for ten mutual funds. We believe that this diversification of our product line will be beneficial when the markets normalize and investors return to buying equity funds.

Additionally, Hennessy Advisors reduced its total debt by 70% and ends the fiscal year with a strong balance sheet, consisting of a cash balance of almost \$6 million, which is nearly three times the total debt. We continue to aggressively seek acquisitions, and we remain confident that our strong balance sheet will provide us with the flexibility to purchase attractive assets. We believe the current crisis in the financial industry has and will continue to present strong acquisition opportunities as companies are choosing to exit the mutual fund business.

Throughout this year we also continued to aggressively expand and strengthen our sales, distribution, and public relations efforts, building on many programs we introduced in the previous year. We are continuing to secure positions on new selling platforms, notably Morgan Stanley Smith Barney. We have expanded and improved our Research Department and their interface with institutional research analysts and consultants. Meanwhile, we continue to brand our Hennessy name with targeted and tactical media appearances.

This year was very difficult, but our strong balance sheet and balanced business strategy have served us well during these difficult times. We will continue working hard to try to build on past successes in the future for the benefit of our long-term shareholders. Thank you for your continued confidence and investment in our firm. Should you have any questions or want to speak with us directly, please don't hesitate to contact us at (800) 966-4354.

Best Regards,

Neil Hennessy
President, Chairman and CEO

PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS TO BE HELD JANUARY 28, 2010

This proxy statement and the enclosed form of proxy are first being sent to shareholders of Hennessy Advisors, Inc. on or about December 23, 2009 in connection with the solicitation by our board of directors of proxies to be used at our 2010 annual meeting of shareholders. The meeting will be held on Thursday, January 28, 2010, at 6:30 pm, PST, at StoneTree Country Club, 9 StoneTree Lane, Novato, California 94945.

The board of directors has designated Neil J. Hennessy and Teresa M. Nilsen, and each or either of them, as proxy agents to vote the shares of common stock solicited on its behalf. If you sign and return the enclosed form of proxy, you may nevertheless revoke it at any time insofar as it has not been exercised by: (1) giving written notice to our corporate secretary, (2) delivering a later dated proxy, or (3) attending the meeting and voting in person. The shares represented by your proxy will be voted unless the proxy is mutilated or otherwise received in such form or at such time as to render it not votable.

VOTING SECURITIES

The record of shareholders entitled to vote was taken at the close of business on December 8, 2009. As of November 30, 2009, we had outstanding and entitled to vote 5,771,010 shares of common stock. Each share of common stock entitles the holder to one vote. Holders of a majority of the outstanding voting stock must be present in person or represented by proxy to constitute a quorum at the annual meeting.

Shares of common stock represented by proxies that are marked "abstain" will be included in the determination of the number of shares present and voting for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions are not counted as voted either for or against a proposal. Abstentions are not counted as votes cast in the election of directors or the ratification of the independent registered public accounting firm, and will have no effect on the election of directors (except to the extent that they affect the total votes received by a candidate) or the ratification of the independent registered public accounting firm.

Brokers holding shares of common stock for beneficial owners in "street name" must vote those shares according to specific instructions they receive from the owners. However, brokers have discretionary authority to vote on "routine" matters. Absent specific instructions from the beneficial owners in the case of "non-routine" matters (the proposal for the election of directors is considered "non-routine," while the proposal for the ratification of the independent registered public accounting firm is considered "routine"), the brokers may not vote the shares. "Broker non-votes" result when brokers are precluded from exercising their discretion on certain types of proposals. Broker non-votes are not counted as votes cast.

The following table shows information relating to the beneficial ownership as of November 30, 2009 of: (1) each person known to us to be the beneficial owner of more than 5% of our voting stock, (2) each director, (3) each of the executive officers named in the summary compensation table elsewhere in this proxy statement, and (4) all directors and executive officers as a group. Except as otherwise indicated, the shareholders listed exercise sole voting and dispositive power over the shares.

ELECTION OF DIRECTORS

At the meeting, nine directors will be elected to serve for a one-year term, until their successors are elected and qualified. The board of directors has nominated each of our nine current directors to stand for reelection. Directors will be elected by a plurality of votes cast by shares entitled to vote at the meeting.

Cumulative voting does not apply unless a shareholder entitled to vote at the meeting gives notice at the meeting before the voting begins of the shareholder's intent to exercise cumulative voting. If cumulative voting applies, each shareholder has the right to distribute among one or more nominees the number of votes equal to the number of directors to be elected multiplied by the number of shares that the shareholder is entitled to vote at the meeting. The accompanying form of proxy solicited by the board of directors confers discretionary authority on the proxy agents to cumulate votes. The proxy agents, Neil J. Hennessy and Teresa M. Nilsen, do not, at this time, intend to exercise cumulative voting for the shares covered by the proxies solicited by this proxy statement unless a shareholder entitled to vote at the meeting gives the required notice in proper form at the annual meeting. In that case, the proxy agents intend to cumulatively vote all of the shares covered by the proxies solicited by this proxy statement in favor of the number of nominees named in this proxy statement as they may, in their discretion, determine is required to elect the maximum number of nominees named in this proxy statement.

The accompanying proxy will be voted, if authority to do so is not withheld, for the election as directors of each of the board's nominees. Each nominee is presently available for election. If any nominee should become unavailable, which is not now anticipated, the persons voting the accompanying proxy may, in their discretion, vote for a substitute.

Our board of directors recommends a vote “FOR” the election of each of its nominees. Proxies solicited by the board will be so voted unless shareholders specify in their proxies a contrary choice.

Information concerning all incumbent directors and nominees, based on data furnished by them, is set forth below.

Section 16(a) Beneficial Ownership Reporting Compliance

Under Section 16(a) of the Securities Exchange Act of 1934, a Form 4 reporting the acquisition or disposition of Hennessy equity securities by an officer, director or 10% shareholder must be filed with the Securities and Exchange Commission no later than the second business day after the date on which the transaction occurred, unless certain exceptions apply. Most transactions not reported on Form 4 must be reported on Form 5 within 45 days after the end of the company's fiscal year. Based upon a review of Form 4s filed with the Securities and Exchange Commission and information provided to us by our directors and officers during the fiscal year ended September 30, 2009, all required reports were filed on a timely basis with the exception that: (i) each of the directors reported one exempt transaction late in fiscal 2009, and (ii) each of Ms. Nilsen and Mr. Steadman reported two exempt transactions late in fiscal 2008.

Board of Directors and Standing Committees

The board held five regular meetings during the fiscal year ended September 30, 2009. All directors attended at least 75% of all meetings of the board and board committees on which they served during fiscal 2009. All members of the board except Neil J. Hennessy, Teresa M. Nilsen, Daniel B. Steadman and Brian A. Hennessy are considered independent under Nasdaq rules.

The board of directors has established three standing committees: an audit committee, a compensation committee and a nominating committee, which are described below. Members of these committees are elected annually at the regular board meeting held in conjunction with the annual shareholders' meeting.

Audit Committee. The audit committee presently is composed of Daniel G. Libarle (Chairman), Charles W. Bennett, Henry Hansel and Thomas L. Seavey, all of whom are considered independent under Nasdaq rules. The audit committee met four times during fiscal 2009. The principal responsibilities of and functions to be performed by the audit committee are established in the audit committee charter. The audit committee's charter is available on our website at www.hennessyadvisors.com. The responsibilities and functions of the audit committee include

reviewing our internal controls and the integrity of our financial reporting, approving the employment and compensation of and overseeing our independent auditors, and reviewing the annual audit with the auditors.

Our board of directors has determined that Daniel G. Libarle, who has served as chairman of our audit committee since 2001, is an audit committee financial expert, as defined in the SEC rules and regulations, and is independent as defined by the rules adopted by the SEC and Nasdaq. Our board based its determination on the fact that Mr. Libarle has extensive experience evaluating financial statements prepared in accordance with generally accepted accounting principles and has also acquired an understanding of internal controls, procedures for financial reporting and audit committee functions as the founding chairman of the board of Bank of Petaluma from 1985 to 2002, as a member of the audit committee of the board of directors of Greater Bay Bancorp from 1999 to 2007, and as a director of the Exchange Bank, where he continues to serve on the bank's audit and loan committees.

Compensation Committee. The compensation committee presently is composed of Rodger Offenbach (Chairman), Charles W. Bennett, Daniel G. Libarle and Thomas L. Seavey, all of whom are considered independent under Nasdaq rules. The compensation committee held two meetings during fiscal 2009 to review annual performance. This committee has the responsibility of approving the compensation arrangements for our management, including annual bonus and long-term compensation. It also recommends to the board of directors adoption of any compensation plans in which our officers and directors are eligible to participate, as well as makes grants of employee stock options and other stock awards under our incentive plan. Our executive officers do not play a role in determining their own compensation. The CEO recommends to the compensation committee the salary, bonus and equity compensation based on salary surveys, experience and performance of the executives. The compensation committee does not have any arrangements with compensation consultants. As a small company, we rely on industry compensation studies and relevant experience to determine executive compensation. Our compensation committee does not have a charter.

Nominating Committee. The nominating committee is composed of all directors who qualify as independent under Nasdaq rules, which directors are presently Charles W. Bennett, Henry Hansel, Daniel G. Libarle, Rodger Offenbach, and Thomas L. Seavey. The nominating committee met once during fiscal 2009. The principal responsibilities of and functions to be performed by the nominating committee, which includes making recommendations for director nominees to the full board of directors for the next annual meeting of shareholders, are established in the nominating committee charter. The nominating committee's charter is available on our website at www.hennessyadvisors.com.

Qualifications for consideration as a board nominee may vary according to the particular areas of expertise being sought as a complement to the existing board composition. However, in making its nominations, the nominating committee will consider, among other things, an individual's business experience, industry experience, financial background, breadth of knowledge about issues affecting Hennessy, time available for meetings and consultation regarding Hennessy matters and other particular skills and experience possessed by the individual. We do not currently employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions, although we may in the future retain a third party search firm, if the nominating committee deems it appropriate.

Policies and Procedures for Submitting Recommendations for Potential Director Nominees and for Director Nominations by Shareholders for the 2011 Annual Meeting

Shareholder Recommendations to Nominating Committee for Potential Director Nominees

The nominating committee will consider recommendations for potential director nominees from many sources, including members of the board, advisors, and shareholders. The names of such suggested nominees, together with appropriate biographical information, should be submitted for nominating committee consideration to our principal executive offices no later than August 25, 2010. Any candidates duly submitted by a shareholder or shareholder group will be reviewed and considered in the same manner as all other candidates as a potential nominee for the slate nominated by our board of directors.

In order to be valid submission for a recommendation to the nominating committee for a potential nominee, the form of the recommendation must set forth:

- the name and address, as they appear on our records, of the shareholder recommending the persons, and the name and address of the beneficial owner, if any, on whose behalf the recommendation is made;
- the number of shares of our common stock that are owned beneficially and of record by the shareholder of record and by the beneficial owner, if any, on whose behalf the recommendation is made;
- any material interest or relationship that the shareholder of record and/or the beneficial owner, if any, on whose behalf the recommendation is made may respectively have with the nominee;
- any other information required to be disclosed in solicitations of proxies for election of directors or information otherwise required pursuant to Regulation 14A under the Securities Exchange Act of 1934 relating to nominations for election or re-election as a director; including the nominee's written consent to being named in the proxy statement as a nominee and to serving as a director, if nominated and elected; and
- with respect to (i) shareholders that have owned more than 5% of our common stock for at least one year as of the date the recommendation is made or (ii) a group of shareholders that, in the aggregate, have owned more than 5% of our common stock for at least one year as of the date the recommendation is made:
 - a written statement that the shareholder or group of shareholders have owned more than 5% of our common stock for more than one year; and
 - a written consent of the shareholder or group of shareholders to be named in our proxy statement.

The form of recommendation must be sent to the nominating committee at our principal executive offices: 7250 Redwood Boulevard, Suite 200, Novato, California 94945. The mailing

envelope should contain a clear notation indicating that the enclosed letter is a “Shareholder Recommendation for Director.”

Director Nominations by Shareholders for 2011 Annual Meeting

A shareholder wishing to nominate their own candidate for election to our board at our 2011 annual meeting must submit a written notice, in the form specified below, of his or her nomination of a candidate to our corporate secretary at our principal executive offices. The submission must be received at our principal executive offices no later than August 25, 2010. To be timely in the case of a special meeting called for the election of directors or in the event that the date of the applicable annual meeting is changed by more than 30 days from the date of our last annual meeting, a shareholder's notice must be received at our principal executive offices no later than the close of business on the tenth day following the earlier of the day on which notice of the meeting date was mailed or public disclosure of the meeting date was made. In accordance with Article II, Section 16 of our amended and restated bylaws, shareholder nominations which do not comply with the submission deadline are not required to be recognized by the presiding officer at the annual meeting. Timely nominations will be brought before the meeting but will not be part of the slate nominated by our board of directors and will not be included in the Company's proxy materials.

In order to be a valid submission for a shareholder director nomination, the form of the shareholder's notice must set forth:

- the name and address, as they appear on our records, of the shareholder nominating the persons, and the name and address of the beneficial owner, if any, on whose behalf the nomination is made;
- the class and number of shares of our capital stock that are owned beneficially and of record by the shareholder of record and by the beneficial owner, if any, on whose behalf the nomination is made;
- any material interest or relationship that the shareholder of record and/or the beneficial owner, if any, on whose behalf the nomination is made may respectively have with the nominee; and

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee selected Stonefield Josephson, Inc., independent registered public accounting firm, to audit the financial statements of Hennessy Advisors, Inc. for the year ending September 30, 2010, and requests that the shareholders ratify such selection. If shareholders do not ratify the selection of Stonefield Josephson, Inc., the audit committee will reconsider the selection.

Audit services provided by Stonefield Josephson, Inc. in 2009 included the audit of the financial statements of Hennessy Advisors, Inc., reviews of interim financial statements, and consultations on matters related to accounting and financial reporting.

Stonefield Josephson, Inc. also provided certain audit related and non-audit services to Hennessy Advisors, Inc. during 2009, which were reviewed by the audit committee and are more fully described later in this proxy statement.

Representatives of Stonefield Josephson, Inc. are expected to attend the annual meeting where they will be available to respond to questions and, if they desire, to make a statement.

Assuming a quorum is present at the annual meeting, to ratify the audit committee's selection of Stonefield Josephson, Inc. as the independent registered public accounting firm for 2010, the number of votes cast in favor of ratification must exceed the number of votes cast in opposition to it. Abstentions and broker non-votes will be counted as present in determining whether there is a quorum; however, they will not constitute a vote "for" or "against" ratification, and will be disregarded in the calculation of "votes cast."

The board of directors recommends a vote "FOR" the ratification of the selection of Stonefield Josephson, Inc. as the independent registered public accounting firm for Hennessy Advisors, Inc. for 2010. Proxies solicited by the board of directors will be voted "FOR" ratification of the selection of Stonefield Josephson, Inc. as the independent registered public accounting firm for Hennessy Advisors, Inc. for 2010 unless the shareholder has specified otherwise.

AUDIT COMMITTEE REPORT

Management is responsible for our internal controls and financial reporting process. Our independent accountants for fiscal 2009, Stonefield Josephson, Inc., are responsible for performing an independent audit of our financial statements in accordance with auditing standards generally accepted in the United States of America and issuing their report. The audit committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the audit committee met with management and the independent accountants to review and discuss the financial statements for the fiscal year ended September 30, 2009. The audit committee also discussed with the independent accountants the matters required by Statement on Auditing Standards No. 90, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The audit committee also received written disclosures from the independent accountants mandated by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and the audit committee discussed with the independent accountants that firm's independence.

Based upon the audit committee's discussions with management and the independent accountants, and the audit committee's review of the representations of management and the independent accountants, the audit committee recommended that the board of directors include Hennessy's audited financial statements in its annual report on Form 10-K for the fiscal year ended September 30, 2009 filed with the Securities and Exchange Commission.

EXECUTIVE OFFICERS

Our executive officers are listed below. Biographical information for each of our executive officers may be found under the heading "Election of Directors."

Neil J. Hennessy	President, Chief Executive Officer and Chairman of the Board of Directors
Teresa M. Nilsen	Executive Vice President, Chief Financial Officer and Secretary
Daniel B. Steadman	Executive Vice President

EXECUTIVE COMPENSATION

Compensation Overview:

Base Salary. Salaries are used to provide a fixed amount of compensation for an executive's regular work. According to the McLagan survey, our executives' cash compensation is in the bottom 1/3 of all financial services companies participating in the survey. With the exception of our CEO, whose salary is set in his employment contract, all of our executives' salaries are reviewed annually and are adjusted every few years. The most recent increases were a 30% increase for Ms. Nilsen and a 12.5% increase for Mr. Steadman effective August 1, 2006, after two years without increases.

We entered into an employment agreement with Neil J. Hennessy, our Chief Executive Officer, relating to his service as our chairman of the board of directors and chief executive officer and as chief investment officer and portfolio manager for our mutual funds, effective at the completion of our initial public offering in February 2002. In 2006, we renewed the agreement for a five-year term ending in 2011, with automatic one-year renewal terms thereafter. Since 2002, Mr. Hennessy has received an annual salary of \$180,000 and any other benefits that other employees receive. In addition to his base compensation, Mr. Hennessy receives an incentive-based bonus in the amount of 10% of our pre-tax profits, as computed for financial reporting purposes in

accordance with accounting principles generally accepted in the United States of America, except as specified in the employment agreement. Pursuant to the employment agreement, pre-tax profit is computed without regard to bonuses payable for the fiscal year, and without regard to depreciation expense, amortization expense, compensation expense related to restricted stock units (or other stock-based compensation expense) and asset impairment charges.

Bonuses. Bonuses, for executives other than our CEO, are paid out of a general pool, which fluctuates based on our performance. The bonus is set as a percentage of pre-tax profits and fluctuates based on our overall performance. The executive management team determines the percentage amount that the bonus pool accrues each year and reviews that percentage amount quarterly based on current performance of the company. Each executive's portion of the bonus pool is based 40% on individual and 60% on company-wide performance discussed in their compensation review. Each year the executive management team sets company-wide goals that are presented to the company. During each performance review, executives are presented with their individual goals. Individual performance objectives are based on customer focus, attitude, productivity, ethics, work habits, teamwork, work product and quality, and ethics. This year, company-wide objectives are based on growth in assets, debt reduction and increased revenue. Because the bonus accrual is based on a percentage of pre-tax profits, the bonus is automatically aligned with our performance.

Equity Awards. We determined that restricted stock units are the most effective compensation tool for a company of our size, because restricted stock units can provide the same value to executives as stock options, but with less dilution to earnings per share. Since they vest over a four-year period, the equity awards are granted as a strategy for executive retention. The amount of the equity pool in total is set subjectively based on our budget limitations for future years. The quantities are adjusted based on the fair value of the equity at the date of grant, which determines the total cost to us. The equity awards are granted annually, if at all, after executives are reviewed.

The following table summarizes the compensation of our chief executive officer, our chief financial officer and our executive vice president for the fiscal years ended September 30, 2009 and 2008. We refer to these individuals as our “executive officers.”

Potential Payments Upon Termination or Change-In-Control

Neil J. Hennessy

The employment agreement with Neil J. Hennessy states that termination by us without cause (which is defined as felony convictions, willfull or gross misconduct, or a material breach of the employment agreement; but not death or disability) or termination by Mr. Hennessy for good reason (which is defined as a material change in position or alteration of duties) entitles Mr. Hennessy to the greater of (i) full base salary and 75% of the average annual bonus paid to Mr. Hennessy during the term of his employment for the remaining term in the contract, or (ii) one year's full base salary and an allocable bonus (as measured above). In the event Mr. Hennessy is terminated for cause or voluntarily terminates his employment, no severance will be payable. If a change of control occurs (defined as a sale, transfer or other disposition of all or substantially all of our assets or business, whether by merger, consolidation or otherwise), we may assign the employment agreement and its rights, provided that the assignee assumes all of our obligations.

Teresa M. Nilsen and Daniel B. Steadman

Agreements with Teresa M. Nilsen, Executive Vice President and Chief Financial Officer, and Daniel B. Steadman, Executive Vice President, define a change of control as the occurrence of one or more of the following events:

1. an acquisition, in any one transaction or series of transactions, after which any individual, entity or group has beneficial ownership of 50% or more of either the then outstanding shares of our common stock or the combined voting power of our then outstanding voting securities, but excluding an acquisition (A) by us or any of our employee benefit plans (or related trusts), (B) by Neil J. Hennessy or any affiliate, or (C) by any corporation which, following the acquisition, is beneficially owned, directly or indirectly, in substantially the same proportions, by the beneficial owners of the common stock and voting securities of the Company immediately prior to such acquisition; or
2. 50% or more of the members of our board of directors (A) are not continuing directors, or (B) are nominated or elected by the same beneficial owner or are elected or appointed in connection with an acquisition of the Company; or
3. the (A) consummation of a reorganization, merger, share exchange, consolidation or similar transaction, with respect to which the beneficial owners of the Company immediately prior to such transaction do not, following such transaction, beneficially own more than 50% of the then outstanding shares of common stock and voting securities of the corporation resulting from the transaction, (B) consummation of the sale or other disposition of all or substantially all of the assets of the Company or (C) approval by the shareholders of the Company of a complete liquidation or dissolution of the Company.

Upon a change of control, as described above, we will pay Teresa M. Nilsen and Dan Steadman, within 15 days of the change of control, a one-time cash bonus equal to the lesser of, the following:

For Ms. Nilsen:

- (a) \$750,000; or
- (b) the sum of 150% of the total base salary (before deductions) paid to Ms. Nilsen for the most recent fiscal year ended prior to the change of control, 150% of the prior year's bonus, and the pro rata portion of the prior year's bonus, provided it has been accrued by us in the fiscal year during which the change of control occurs.

For Mr. Steadman:

- (a) \$500,000; or
- (b) the sum of 100% of the total base salary (before deductions) paid to Mr. Steadman for the most recent fiscal year ended prior to the change of control, 100% of the prior year's bonus, and the pro rata portion of the prior year's bonus, provided it has been accrued by us in the fiscal year during which the change of control occurs.

For both Ms. Nilsen and Mr. Steadman, if the bonus payable upon a change of control will be considered an "excess parachute payment" under Section 280G of the Internal Revenue Code of 1986, as amended, the bonus payable will be reduced to one dollar less than an "excess parachute payment."

Upon a change of control, both Ms. Nilsen and Mr. Steadman's restricted stock units granted prior to the change of control would vest 100%.

OTHER MATTERS

The board of directors does not know of any other matters to come before the meeting. However, if any other matters properly come before the meeting, the persons designated as proxies intend to vote in accordance with their best judgment on such matters. If any other matter should come before the meeting, action on the matter will be approved if the number of votes cast in favor of the matter exceeds the number opposed.

SHAREHOLDER PROPOSALS AND COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Regulations of the Securities and Exchange Commission require proxy statements to disclose the date by which shareholder proposals must be received by us in order to be included in our proxy materials for the next annual meeting. In accordance with these regulations, shareholders are hereby notified that if, pursuant to Rule 14a-8, they wish a proposal to be included in our proxy statement and form of proxy relating to the 2011 annual meeting, a written copy of their proposal must be received at our principal executive offices no later than August 25, 2010. Proposals must comply with the proxy rules relating to shareholder proposals in order to be included in our proxy materials. To ensure prompt receipt by Hennessy, proposals should be sent certified mail, return receipt requested.

Shareholders wishing to submit names of potential candidates for consideration by our nominating committee for the board of directors' slate of nominees for director should follow the procedures discussed under "Policies and Procedures for Submitting Recommendations for Potential Director Nominees and for Director Nominations by Shareholders for the 2011 Annual Meeting." Shareholders wishing to present their own nominations for director at the annual meeting should follow separate procedures discussed in that section. Rule 14a-8 requiring the inclusion of shareholder proposals in our proxy materials does not apply to director nominations by shareholders.

Notice to us of a shareholder proposal submitted otherwise than pursuant to Rule 14a-8 will be considered untimely under our bylaws if we receive it after August 25, 2010, and will not be placed on the agenda for the 2011 annual meeting.

Shareholders who wish to communicate with the board of directors or with a particular director may send a letter to our corporate secretary at our principal executive offices, at 7250 Redwood Boulevard, Suite 200, Novato, California 94945. The mailing envelope should contain a clear notation indicating that the enclosed letter is a "Shareholder-Board Communication" or "Shareholder-Director Communication." All such letters should identify the author as a shareholder and clearly state whether the intended recipients are all members of the board or just certain specified individual directors. Our corporate secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Hennessy does not have a formal policy requiring directors to attend annual meetings. However, because the annual meeting generally is held on the same day as a regular board meeting, we anticipate that directors would attend the annual meeting unless, for some reason, they are unable to attend the board meeting on the same date. All directors attended the 2009 annual meeting.

ANNUAL REPORT

A copy of our annual report on Form 10-K for the fiscal year ended September 30, 2009 accompanies this proxy statement. Additional copies may be obtained by writing to Teresa M. Nilsen, at our principal executive offices, at 7250 Redwood Boulevard, Suite 200, Novato, California 94945.

EXPENSES OF SOLICITATION

The cost of soliciting proxies will be borne by Hennessy. We may reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their expenses for sending proxy material to principals and obtaining their proxies.

PLEASE SPECIFY YOUR CHOICES, DATE, SIGN AND RETURN THE ENCLOSED PROXY IN THE ENCLOSED ENVELOPE, POSTAGE FOR WHICH HAS BEEN PROVIDED. YOUR PROMPT RESPONSE WILL BE APPRECIATED.
